

LIST OF TABLES

Table 1: Number of Households by level of Agricultural Activity by Region

Table 2: Number of Holdings, by level of Agricultural Activity by Region

Table 3: Number of Parcels by level of Agricultural Activity by Region

Table 4: Number of Holdings growing crops by type of Crops Grown by Region

Table 5: Number of Holdings growing crops mainly for Home Consumption by type of Crops Grown by Region

Table 6: Number of Households growing crops mainly for Sale by Type of Crops Grown by Region

Table 7: Number of Households growing crops by Type of Crops partly for Sale and Partly for home Consumption by Region

Table 8: Number of Holdings by Size of Holding by Region

Table 9: Area of holding by size of Holding by Region

Table 10: Number of parcels by Size of Parcel by Region

Table 11: Area of Parcels by Size of Parcels by Region

Table 12: Area of Parcels (in Acres) by Type of Land Tenure by Region

Table 13: Area of Parcels (in Acres) by Main Land Use Classification by Region

Table 14: Estimated single Crop Equivalent Area (Acres) by Crop Type by Region

Table 15: Number of Households Selling and/ or Consuming Coconuts by Quantity and Value of Last Sale

(\$Tala) and average weekly Consumption (number) by Region

Table 16: Number of Households Selling and/ or Consuming Cocoa by Quantity and Value of Last Sale

(\$Tala) and Average weekly Consumption (cups) by Region

Table 17: Number of Households Selling and/ or Consuming Banana by Quantity and Value of Last Sale

(\$Tala) and Average weekly Consumption (bunches) by Region

Table 18: Number of Households Selling and/or Consuming Taro by Quantity and Value of Last Sale (\$Tala) and Average weekly Consumption (number) by Region

Table 19: Number of Households Selling and/or Consuming Taro Palagi by Quantity and Value of Last Sale

(\$Tala) and Average weekly Consumption (baskets) by Region

Table 20: Number of Households Selling and/or Consuming Taamu by Quantity and Value of Last Sale

(\$Tala) and Average weekly Consumption (number) by Region

Table 21: Number of Households Raising and Keeping Livestock by Type of Livestock by Region

Table 22: Number of Livestock Kept by Type of Livestock by Region

Table 23: Number of Households Raising Pigs, Number Kept, Slaughtered and Sold Live by Region

Table 24: Number of Households Raising Chickens, Number Kept, Slaughtered and Sold Live by Region

Table 25: Number of Households Raising Pigs and Number Kept, by size of Pig Holding by Region

Table 26: Number of Households Keeping Chickens and Number Kept by Size of Chicken Holding by Region

Table 27: Number of Households Engaged in Fishing by Number of People by Sex by Region

Table 28: Number of Fishing Households, Amount of Seafood Caught, Eaten, Sold and/ or Given Away (\$Tala)

Table 29: Number of Households, Amount of Seafood Bought, Eaten, Sold and/ or Given Away (\$Tala) by Region

Table 30: Total Household using Chemicals

Table 31: Total Household planting any Forest Trees

Table 32: Best Month to grow crops by total number of Households (Apia Urban Area)

Table 32: Best Month to grow crops by total number of Households (North West of Upolu)

Table 32: Best Month to grow crops by total number of Households (Rest of Upolu)

Table 32: Best Month to grow crops by total number of Households (Savaii)

Table 32: Best Month to grow crops by total number of Households (Samoa)

Table 33: Total Population Enumerated by Age Group and Sex by Region

Table 34: Total Population of Agriculturally Active Households by Sex and Location of Households

Table 35: Total Population of Fishing Households by Age Group and Sex by Location of Households
